Swindon times shown are with connections between bus and train at Chippenham.

Typical interchange time is between 5 and 10 minutes, but there are longer waits on the last services.

Buses at Melksham call at the bus stop on Station Approach and not at the station itself.

The platform departure board will show "No trains are due at this platform" and you are asked to wait at the bus stop.

Tickets should be bought prior to boarding the bus if possible, either online or from the tickets machine on the platform.

Rail Replacement Buses are not tracked by the railway's train tracking system. Due to traffic conditions may run a few minutes late. Indications of "on time" from online systems may be inaccurate. If your bus does not arrive on time, it is probable it will arrive within a few minutes. **(MRUG / 29.9.20 / GE / V0.9 E&OE)**
